# Your Company Can Help **Make a Difference**

VAN stands for Veteran Approved Network. We are a local organization that provides support to the veteran community through events, hangouts and resources such as mental and physical health.

We also provide discounted services for veterans provided by companies just like yours.

For a small one-time yearly fee, your support will go towards a local organization working with the local veteran community and you'll be helping us achieve our core mission:

**Restoring Connection.**

# Restoring Connection Through **EVENTS**

VAN produces a series of events throughout the Tampa area every year, including our Annual 10k Fallen Heroes run - hosted every September - our springtime Honor Walk and more.

Your commitment helps assure that these events not only continue, but grow and become a staple of the local veteran community year after year.

# Restoring Connection Through **SOCIALS**

Every month VAN hosts socials throughout the Tampa area that are informal meetups for local veterans, providing a causal place to grab a drink, tell some stories and meet some like-minded people.

Your support helps us with the organizational costs of maintaining the socials and the planning involved.

We realize people are busy, but we'd love to see you there!

**Buy a Veteran a Beer!!**

# Restoring Connection Through **RESOURCES**

The VAN team understands that veterans sometimes need help, and we strive to provide an ongoing, fully vetted and constantly updated list of local resources including the following:

- Physical and Mental Health
- Local and National Organization Contacts
- Career Services via OpLign Partnership
- Local Business Directory that Supports Vets (this is where you come in)

Our website is filled with resources for the local veteran community, and we would love for you to join us!
